## John Mahama Will Win 2016 Election – Prophet

Source: GhanaPoliticsOnline.Com

Prophet Prempeh

Hosted by Paul Adom Okyere on Good Evening Ghana, the confident looking 'Prophet', Prophet Prempeh indicated that unlike President Mahama, most of the Presidential Aspirants are double minded and try to blend the worship of God with other lesser gods in their quest to win power.

He noted that most of the aspirant serve a lesser god that goes by the name Bathsheba but only present themselves as Christians to win the affection of the largely religious citizenry.

According to him, the fact that the President managed to win the elections on the back of just five months of campaign in 2008 is an indication that he is highly favoured by God.

He also said President Mahama will win the 2016 Election

Rebutting his claims with a similar prophesy from Prophet Owusu Bempah which favours the Presidential Candidate of NPP, Nana Addo Dankwa Akufo Addo, the host asked him why two prophesies purportedly from one God contradicted each other.

Prophet Prempeh not wanting to stir controversy indicated that though he had tremendous respect for Prophet Owusu Bempah (who he addressed as his senior), he was confident that his own prophesy will come to pass.

He called on the men of God in the country to come to the rescue of the nation as Elijah did because it would take divine intervention to rescue the country from it's current economic woes and general hardship.

Quizzed on how to determine who a false prophet is, the Prophet left Paul Adom Okyere and Abeku Santana who was there as a co panellist surprised when he alleged that every supposed man of God who has bleached or toned his skin is not from God and therefore a false prophet.

According to him, bleaching of their skin is part of the requirement from the gods they consult.

The host enquired if Bishop Obinim is an example of such false prophet given he was known to be darker than he is now and accused of bleaching his skin but he declined commenting in the affirmative or the otherwise

He predicted that 20th September this year is a prophetic day and therefore something amazing will happen both in the physical and spiritual realm for all to see.

GOD PROMOTES ONE AND DEMOTES ANOTHER. BUT THE MAN AFTER GOD'S OWN HEART MUST LISTEN TO THE VOICE OF GOD AND TAKE HEED NOT TO INCUR HIS WRATH BY TRAMPLING ON THE RIGHTS OF THE POOR, ORPHANS AND WIDOWS. IT IS NOT BEYOND GOD TO GIVE THE PRESIDENCY TO THE 'WRONG' PERSON, JUST TO SPITE OR CREATE REMORSE IN HIS CHOSEN. BUT THOSE USED TO CHASTISE THE RIGHTEOUS HAVE NEVER GONE WITHOUT THE SAME GOD'S JUDGMENT. LET GOD'S WILL BE DONE BECAUSE OF THE SUFFERING IN THE LAND.

Why is it that NPP supporters always attack people who say something good about the president or NDC. But smile when another person says something good about the NPP.

When you say NPP will win they are ok with it. But when you say NDC will win they will insult you. What kind of ideology is this.

**Boo wiafe | 1/7/2016 6:25:00 AM**

This prophet is a bloody liar if he says God favoured Mahama to win election in five months. Did he see the massive stealing Mahama engaged in of public funds just to win elections? Badmouth, tree planting, akonfem project, etc were all grand scheme Mahama used to steal public funds just to win elections in 2012. And the country has suffered to date as a result of that massive stealing. Monies and gifts were given freely to the electorate just to entice them. Where was the so called prophet? This prophecy of his is one of the deceitful schemes for this year's election and I will not be surprised if he has not been given a v8. Azaa prophet, Ghanaians are suffering and the least we want to hear from anybody is this utter rubbish. You are a fake prophet. Saadweaa.

I don't think God in his own wisdom will want pple to suffer. I don't also think that if Mahama was chosen by God in 2012 by this 2016, he God is not happy about how the scarce resources of his nation is being looted n shared by a few.

Ya Allah even if this prophecy is from u please from now to Nov. is far please change it for ur children. U no us better than ourselves ,choose a leader who will have human feeling for his countrymen. this I pray n all Ghanaians pray
